KHAZANA

KHAZANA Wonders

At Khazana, our endeavor is to keep it relevant to our time and evolve with it. Pieces of the finest expression of its kind and articles that should be preserved and create beautiful memories. We feel a sense of responsibility every day and in every offering. In a sense, the "journey is the destination".

Covering the broad spectrum of merchandise from art to the arts; craft to couture, jewelry to jamewars and reinforce it with the inherent trust and quality of the Taj. Khazana is the Bridge to the richness of Indian heritage, an aggregator of cultural diversity that is India.

Exclusive Silver Filigree Collection

Every item of filigree is handcrafted by artisans depending upon the complexity of the design. The matrix of the design is first hand-drawn with pure silver wires; thin silver filaments are then melded onto it to form an ethereal work of trellis.

These 3D designs are outcomes of long hours of meticulous and painstaking handcrafted work. It takes close to 300 to 4500 man-hours to make a single piece.

Bidri Cufflinks

These cufflinks are made up of zinc and copper with pure silver inlay star work.

Bidriware is a metal handicraft that originated in Bidar area of Karnataka, in the 14th century C.E.

Bidriware is manufactured from an alloy of copper and zinc with fine wire of pure silver carefully hammered into the grooves.

Bidriware products were traditionally recognized as a symbol of wealth and the craft is practiced in various parts of India to make a range of artistic showpieces and ornaments.
